For the attention of Ian Mackay

Dear Ian

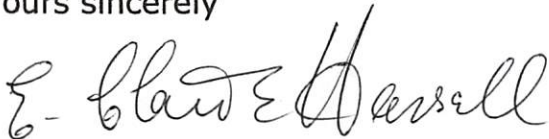

Barwick in Elmet and Scholes Neighbourhood Plan

I have much pleasure in finally submitting our Neighbourhood Plan for inspection. I would like to thank you in particular and your department for the advice and assistance you have given the Steering Group to enable the production of this plan in just five years! I think that must be a record for persistence.

The Parish Council has recommended submission of the Plan on 7th November 2016 and has approved the appointment of Ann Skippers to be the Inspector. Two copies of the Plan together with supporting documents on disk are enclosed and these documents along with further relevant information on consultations, consultation events and minutes are available on www.barwickandscholesneighbourhoodplan.

If, at any time there are questions, queries or further information required please contact me and I am certain you will also support the further passage of the Plan through to any final amendment, referendum and adoption.

Yours sincerely

E. Claire Hassell
